

## Environmental, Health, Safety and Security Policy Evonik CYRO LLC Wallingford Plant

CYRO Wallingford pledges to implement and operate a management system to enhance Environmental, Health, Safety and Security performance associated with the manufacturing of plastic molding and extrusion compounds.

CYRO Wallingford is committed to:

- **Continually improve** our processes and performance to reduce the impact of our operations on the environment and to prevent pollution. We establish objectives and targets, conduct regular performance evaluations, and report performance to our stakeholders.
- **Protect** the environment, the health, safety and security of our employees, our customers and the community in which we operate.
- **Comply** with all relevant laws, regulations, other applicable requirements and the Guiding Principles of Responsible Care®.
